

Reminder... the Enfield Recreation Department has gone PAPERLESS.

The Recreation Department no longer prints a seasonal program guide to go home with Enfield school children. In an effort to save resources and "go green" we will post all program offerings on the Recreation homepage, www.enfield-ct.gov/recreation and only send a registration reminder flyer home with students. If you don't have access to the internet you can always stop by the Recreation Office to view our program offerings in paper form. We will still offer all the same great programs you have come to know and love.
